**WORTH R27 000!**

## Seaside indulgence

**S**outh Beach Camps Bay is designed for the discerning guest seeking an alternative to a five-star hotel, with the comfort, convenience and privacy of self-catering, luxury, contemporary accommodation.

Consisting of nine sea-facing one-bedroom apartments, offering the best in technological amenities, local and international guests are blown away by this first-class offering.

Within easy walking distance to some of the best restaurants, bars and world-renowned Camps Bay beach, it will take your idea of self-catering to new heights and make South Beach Camps Bay one

of the most desirable destinations in 2015.

Designed in conjunction with Greg Wright, a highly respected Cape Town architect, and with an exclusive art collection featuring works by well-known South African artist Lionel Smit, South Beach Camps Bay epitomises modern-day comfort with a hint of affluent Miami-style living.
